Team Dune has achieved a milestone for being selected as an honoree of the 2025 Disruptive Tech Awards that is hosted and presented by FORUM each year. The project being recognized is the iQIES CMS to CDC Data Sharing (C2CDS) initiative. The theme at the 2025 Disruptive Tech Summit, is “action takes center stage, and results speak louder than roadmaps.” ICF and Team Dune delivers innovation and results to CMS and this award reflects the ethos and work ethic that the team brings to every project.
