To the iQIES Dune Team, Congratulations on delivering a major milestone for CMS (iQAN CLIA)! You set a goal to get this done by Feb 15, 2023, but actually delivered on Feb 8. You crushed it! This is something that CMS had tried to move forward for 3+ years and when Dune got the assignment, it was done in 2 PI's. We are very proud of your accomplishments and want to celebrate this innovative delivery for CMS. Thanks for all that you do and keep up the great work! - iQIES Leadership Team
